

# IMPORTANT CHILDCARE ANNOUNCEMENT

From the Richmond Society for Community Living

Would you like to attend a meeting or workshop hosted by Richmond Society for Community Living (RSCL), but require child care or funding for child care?

Thanks to the generous support of  
Vancity, we can help!

Thanks to a grant from Vancity, RSCL is pleased to announce that for one year we are able to reimburse families for their child care costs while attending an RSCL meeting, workshop or training opportunity. Depending on staff availability, we will also be offering qualified childcare on site.

*\*If you require childcare on site, please call one week in advance.*
