Disability

=

Employability

Hire and Inspire

Use your ability to hire a person
with a disability.

Richmond
Society for
Community
Living

Do You Want To:

- Hire motivated individuals that are responsive to your business needs
- Reduce staff turnover
- Save on orientation and training costs
- Increase employee retention
- Access an untapped labour force

Who We Are and What We Offer:

- Richmond Society for Community Living, Employment Services is an effective personalized service focusing on meeting employers' business needs
- Our service assists individuals with disabilities to secure and maintain employment in the community - individuals with disabilities are an untapped resource capable of employment.
- We offer a professional and diverse community employment service
- We believe that everyone should have the opportunity to work in a community that values inclusion, respects diversity and acknowledges individuals for their efforts and accomplishments
- We are committed to providing a professional service that strives to meet employers' expectations through positive and innovative employment opportunities

The Benefits of Our Service to Employers

- **Cost free** service to you
- **Quality job matching** - Pre-screened, motivated individuals who are accountable and take pride in their work. We save you time by referring individuals who have expressed interest, are motivated and have the skills to meet your business needs
- **On-site training** - Quality orientation with support to ensure a successful placement. We provide 1:1 orientation with support to the new employee at no cost to you.
- **Ongoing support** and monitoring to maintain employment
- **Follow-up services** are collaborative to ensure successful placement, evaluation, employer and employee satisfaction
- **Follow-up services** are solution focused

Richmond Society for Community Living Employment Services.
